Thank you! You are doing an amazing job!

During this challenging period of the coronavirus outbreak, on behalf of the Medina Sandstone Society and our 200+ Stonecutter supporters, we would like to say a heartfelt THANK YOU to our healthcare workers, doctors, nurses, patient care assistants, the cafeteria and cleaning teams, and all those working in hospitals, clinics, nursing homes and elsewhere working round the clock to keep us safe.

Our Medina community is so fortunate to have you working on our behalf, keeping us safe and healthy to the very best of your abilities. Please enjoy this small token of appreciation with our sincere gratitude.

You are truly our heroes every day, but especially today, tomorrow, and for the weeks to come. We are truly grateful for all that you do! **Stay safe, we need you!**

Sincerely,
Medina Sandstone Society Board Members

About Medina Sandstone Society: Located in Medina, NY's City Hall the Medina Sandstone Society, Inc., a not-for-profit civic organization, calls focus on the village's notable industrial past and especially the affection of the world's builders for our native sandstone. We use that image to build local pride, to support hometown initiatives, to embrace historic preservation and to help the Medina area in modern times to reach its full potential. *SandstoneSociety.org and Facebook*
